

# Energy Storage Hybrid Inverter

Model

- eco-R3KL1
- eco-R4KL1
- eco-R5KL1

# ECO R Series Hybrid Inverter

## Application Scene:

Villa

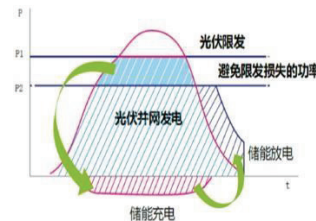

Base Station

Nomadic Area

Poor Areas

Peak Load Shifting

Factory Aging

Fashion, light and smart

Compatible anti counter  
flow function

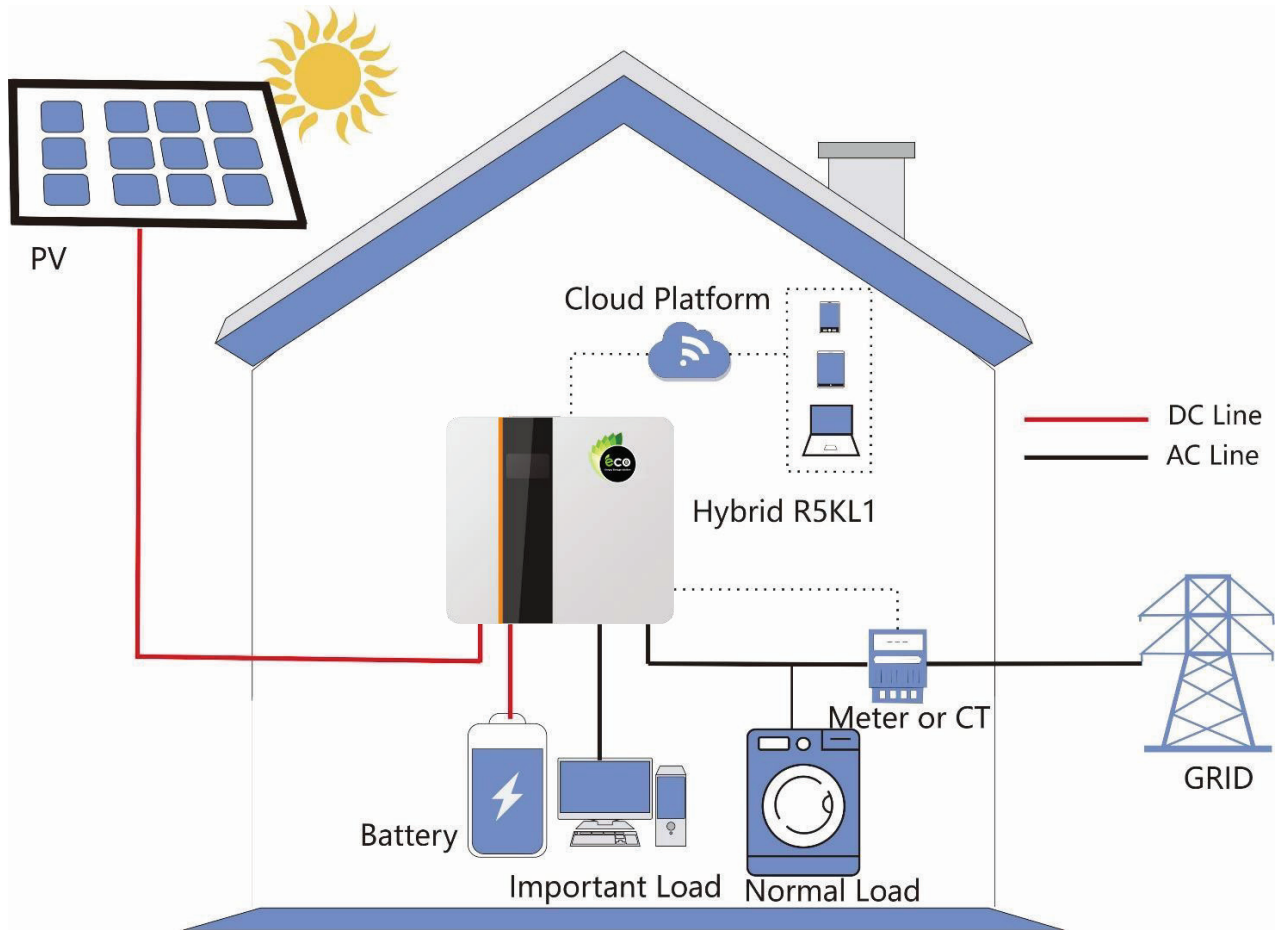

IP65 , wall mounted design,  
saving space, Natural cooling

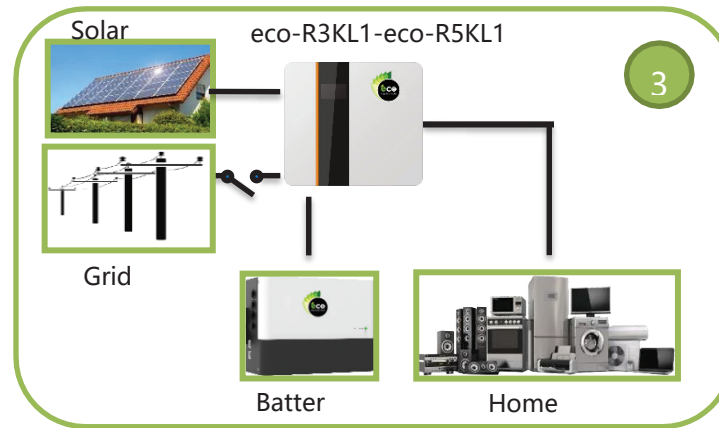

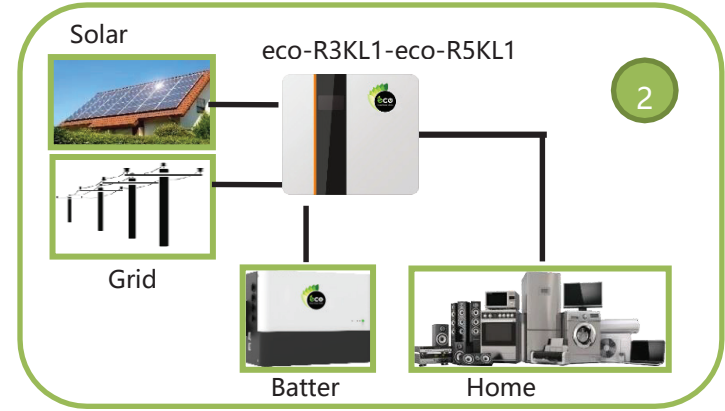

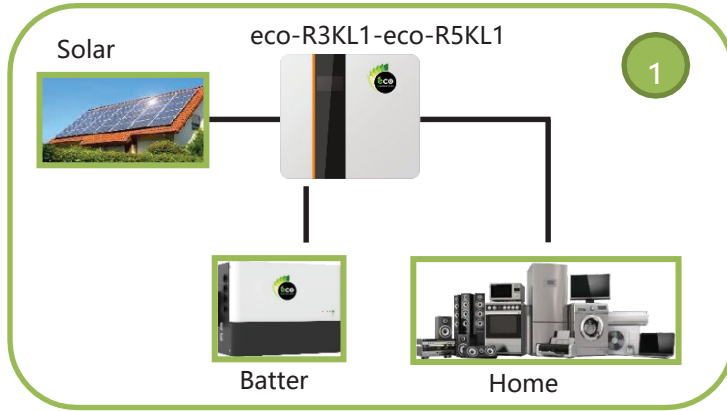

04 48V battery safe voltage, full  
rated discharge or charge  
capacity

05 Excellent BMS system to  
extend battery life

06 Battery inversely connect  
protection

① On-grid

② Off-grid

③ Backup
