TO WHOM IT MAY CONCERN

We, Phoenix Contact Middle East FZ LLC, hereby confirm our intention to cooperate with the company IKS Industrial Instrumentation and Control Systems Ltd (IICS), located at King Saud Road, As Sufa, Al Waleed Business Center, 3rd Floor, P.O.Box 31992 Damman 3364, Kingdom of Saudi Arabia, as a System Integrator for the Phoenix Contact product range within the political borders of the Kingdom of Saudi Arabia, for a term of one year as of the date of this document.

In this context, the company Industrial Instrumentation and Control Systems Ltd. (IICS) is as of today duly authorized to integrate and use the Phoenix Contact product range in its designs and eventually finished products and solutions and to present the same in its own name and on its own risk to all interested parties in Saudi Arabia unless otherwise notified.

We thank you for your consideration of our equipment and assure you that both of our companies are dedicated to the quality supply of your electric, electronic interface, automation, and power and over-voltage protection requirements.

Yours faithfully

Subject: Introduction Letter – Alliance Partner System Integrator
Industrial Instrumentation & Control Systems (IICS)

Date: June 19th, 2022

Schneider Electric Saudi Arabia is pleased to inform you that "Industrial Instrumentation & Control Systems (IICS)" is one of Schneider Electric business channels as Industrial Automation System integrator, working in Saudi Arabia.

Schneider Electric and IICS are having a signed agreement on yearly basis, renewed in 2022, as Schneider Electric Alliance Partner System Integrator, by which IICS is getting the technical support and training from Schneider Electric to perform the industrial automation solutions based on Schneider Electric Industrial Automation Products.

On behalf of Schneider Electric, we'd like to thank you for your interest in Schneider Electric Products.

Staying at your disposal for any future information you may need.

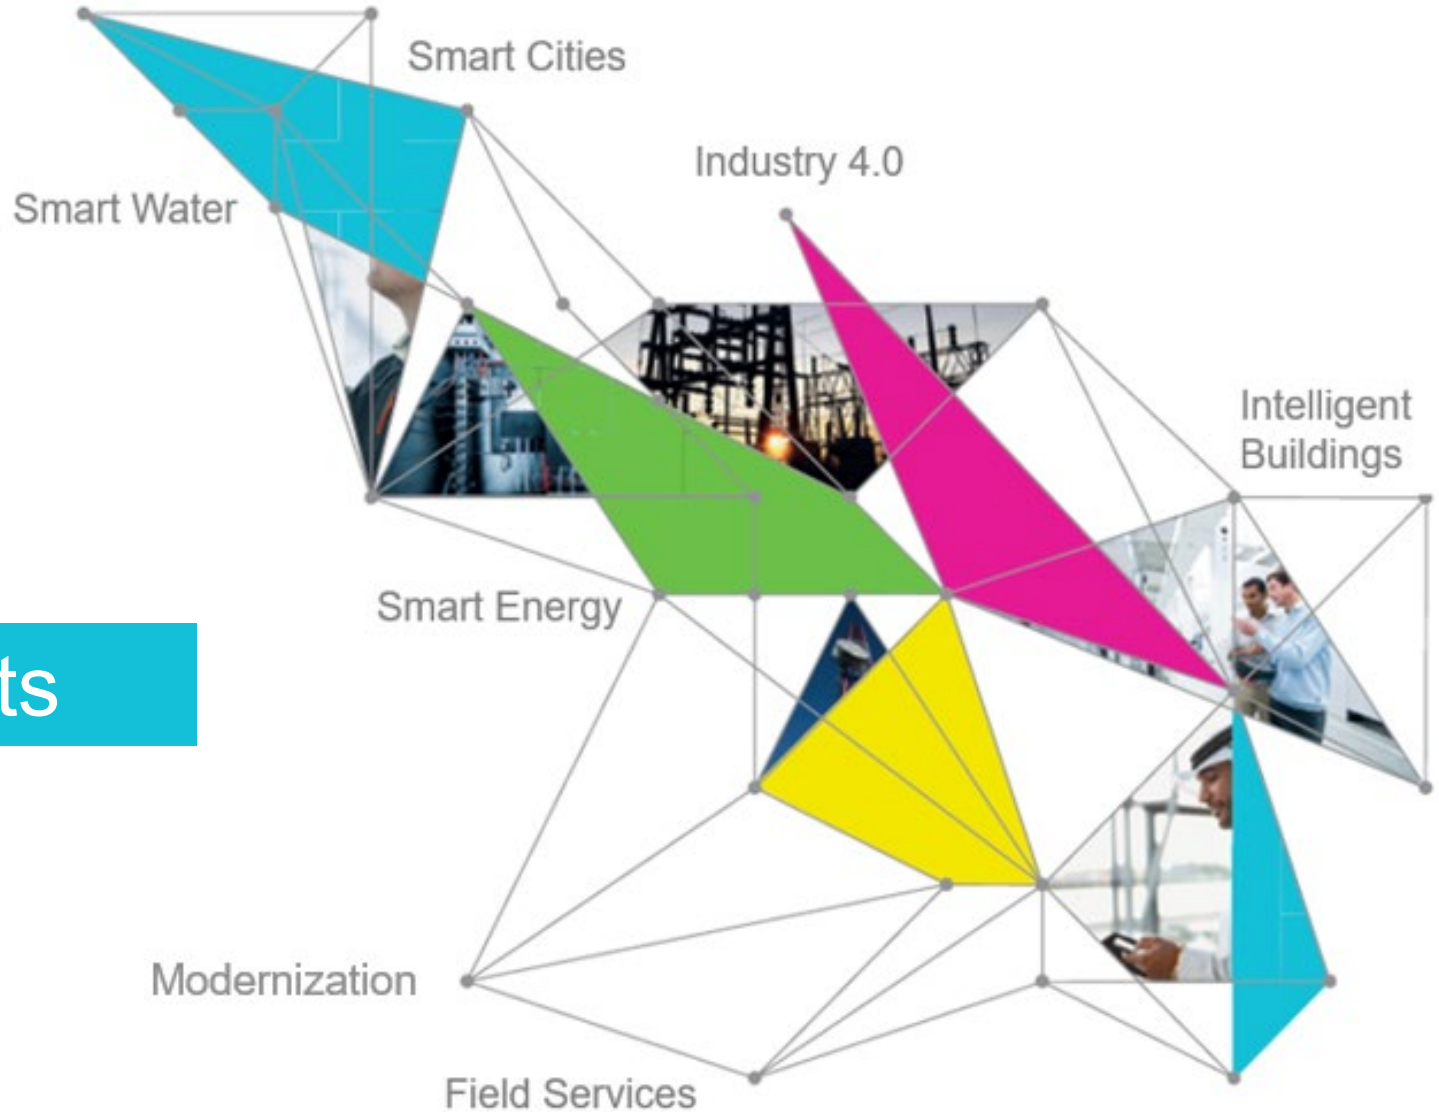

Sincerely,

Muhammad Anwar Ibrahim
